

## From the Principal's Desk...

We truly live in a beautiful part of the world as we experience four distinct seasons. I am captivated by the transformation of the leaves, watching them transition from tiny buds to vibrant greens to fiery reds and oranges. The trees that stood bare throughout the winter have slowly begun to sprout. It's truly awe-inspiring to witness the gradual shift from winter into spring. I step outside and feel the warmth of the sun, a familiar yet refreshing sensation. Yet, this transition into spring hasn't been without its challenges. The recent ice storm left a reminder of winter's power, with branches broken under the weight of the ice and many of us enduring power outages and the cold that seemed unwilling to let go. I left Barrie on April 2 grateful to be heading to Listowel where I could enjoy a hot shower and turn on a light switch only to be taken by surprise with a storm on Wednesday night that washed out the driveway where I am staying. But even in the aftermath, there's something hopeful in seeing the trees slowly recover and new buds begin to emerge. It's a stark reminder that even after harsh seasons, beauty can rise again.

Isaiah 43:19 NIV says, "See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland."

As we step into a new season, looking ahead to a new principal and moving forward in faith, there are times when we must release the old season. Isaiah 43:18 NIV reminds us, "Forget the former things; do not dwell on the past." One of the vital lessons life teaches is the importance of letting go. We can't carry the weight of past pain, struggles, or relationships with us forever. Sometimes, this requires giving ourselves space to grieve, to feel the loss, and to lean on others for support. But once we've taken the time to heal, we can pick ourselves up and turn our gaze toward the future.

As spring emerges and the trees begin to bloom, we're reminded of God's invitation to align our hearts with the new work He's doing in our lives. Let's take a moment to pray, asking Jesus to help us embrace the beauty of all the new things He has in store for us:

Dear Lord,  
Thank you for shaping me into the person You desire me to be. I admit that sometimes I struggle to release the old things, even when I know they are hindering my growth. Help me, Lord, to see this spring season as a beautiful reminder of how change can bring new life. Just as flowers grace the trees and fresh grass emerges from the earth, renew my spirit with the strength to let go of the past and move forward in my faith with You. May we at Listowel Christian School continue to embrace our calling as restorers of Your world, bringing hope, healing, and restoration to all we encounter. Amen.

## JR Kindergarten

### Junior Kindergarten - Mrs. Baarda

This week we will have a short week as Friday is Good Friday. I pray that you will all have a worshipful and blessed Easter weekend.

**Tuesday is Pyjama day!** Students can wear their favourite comfy pyjamas and bring a favourite stuffy to school. We will be having reading buddies this week on Tuesday as well.

Thursday we will have an Easter assembly.

As we continue in our Spring theme, we will check in on our seeds and see if they have begun to sprout. We will also be making some Easter themed artwork.

In **language** we will continue to practice rhyming, blending and segmenting words, and listening for beginning and ending sounds. We will be practicing the letter names and sounds each day as well.

Our mystery letter last week was letter **V**. We learned that vest, van and violin all begin with the letter V. We had fun singing the Jolly Phonics song for letter V about driving Vic's van around the village. We only have 2 mystery letters left! Which one will it be this week?

In our **workbooks** we will be printing letters Bb, Ff and Qq. We will also learn about diver letters.

In **math** we will be revisiting position words as well as shapes and colours.

In **Bible** we will be reading some story books about Easter. We will also be practicing our Jonah song that we will sing at the beginning of the school musical program.

In **health** we will be learning about another of our five senses, our sense of sight.

**Tuesday is library day.** Please remember to send in any outstanding books.

## Senior Kindergarten

### Senior Kindergarten - Mrs. Heida

This week we will be learning that when you add the letter "s" to a word you change it from singular to plural. We are also focusing on what letters are vowels.

During learning centers we are working on putting the alphabet in order, matching upper and lowercase letters, rhyming words, sorting by beginning sounds and matching ending sounds.

In **math**, we will finish adding numbers between 0 and 5. We have been taking time to print numbers to 20. If you are able, have your child practice numbers 1 to 9 on a blank piece of paper and correct any reversals. We have been counting to 80 and putting back the numbers that keep falling out of our number chart.

In **Bible**, we will learn about Jesus' crucifixion. We are practicing our song for the program.

In **Handwriting Without Tears**, we are learning how to print the lowercase letter "y". It is a hang below the line letter and when you print it you begin with the little line and STOP, big line slide.

This week we will be focusing on the water cycle and experiment with making rain. We will also learn about pussy willows, learning a rhyme and making a craft.

**On Tuesday we will have pyjama day!** Please come to school dressed in appropriate pjs! Students are welcome to bring a stuffed animal and wear slippers.

There is NO SCHOOL on Friday!

I wish everyone a Happy Easter Weekend! May you enjoy time celebrating our greatest gift, our Saviour's greatest sacrifice. God Bless.

## Grade 3

### Grade 3 - Mrs. Claus

I'd like to wish everyone a Happy Easter. This weekend is the defining weekend of our faith. I am blessed to be able to talk to the students about it openly. Being part of a Christian community that shares the joy of a risen Lord is so amazing.

**Bible:** Our journey with Joseph continues as he comes to power in Egypt.

**Math:** We have finished our tiny houses and thus, have finished our unit on area. Our next unit is on tally charts and line plots. It is only a few lessons long so we should be about to finish it this week.

**Language:** In phonics we are learning about adding the suffixes: -ness, -ment, -able and -ible.

**Social Studies:** We are beginning the last section of the unit. It is all about the 3 different landform regions in Ontario.

## Grade 4

## Grade 6 & 7

### Grade 6 & 7 - Mrs. O'Boyle:

#### **Weekly Highlights:**

Here are some of the highlights from last week...

1. STEM - Students explored static electricity through hands-on experiments and dove into unplugged circuit coding—building paper models to show how electricity flows through parallel circuits.
2. As we journeyed through *The Lion, the Witch and the Wardrobe*, students analyzed character motives, practiced grammar through “magical sentences” and revised their emoji stories with rhyme and flair.
3. In Bible class, students reflected on what it means to love others with action and truth, applying 1 John 3:16–18 to real-life challenges in powerful, honest discussions.
4. Art class focused on value and shading techniques, with students practicing pencil and charcoal blending and applying what they learned to create images with highlights, midtones and shadows.
5. We had fun learning about the letter Yy and enjoying both “yummy” and “yucky” snacks.

**Language** - In reading, we will continue the *Chronicles of Narnia*. In writing, we will conclude our emoji-inspired rhyming stories and illustrations and share them with our reading buddies on Thursday. We will also complete some writing linked to our novel study writing journal entries as if we are a chapter in the novel. In grammar we will look at coordinating and subordinating conjunctions, verb tenses and subject-verb agreements. Watch for spelling activities coming home this week in your child's agenda.
